IN THE DRAWINGS

Corrected drawings are supplied herewith.

Enclosed are copies of Replacement Figure 6-16 of the drawings, each correctly-identified as a "REPLACEMENT SHEET."

Applicants note that due to an oversight the FIGS. were originally numbered incorrectly as 1-5 and 7-17; suggesting that a FIG. 6 was missing. In fact, FIG. 7 should be FIG. 6 and the FIGS. should be renumbered accordingly as 6-16. These replacement sheets are provided with the correct numbering with this response. FIGS. 1-5 have not changed and are therefore not being resubmitted herewith.

The appropriate amendments to the specification were included in Applicants' previously-submitted Amendment and Response filed January 31, 2005. Therefore, Applicants believe that this objection is no longer appropriate.
